

EMPTY PRINTER CARTRIDGE APPEAL

You can help to raise money for Gower Bird Hospital by sending off the order form below and you will be sent pre-paid collection envelopes for your used empty inkjet cartridges. For every cartridge sent, Gower Bird Hospital will receive a generous donation from EAH Recycling - not only will you be helping to improve the environment, but assist us in our aim to care for sick, injured and orphaned birds and animals with the sole intention of returning them to the wild. If you can even only send in a few used cartridges, it would be much appreciated - and it won't cost you anything!

ALL TYPES OF CARTRIDGES WILL BE ACCEPTED EXCEPT EPSON/EPSON COMPATIBLE CARTRIDGES, LASER OR TONER CARTRIDGES

PLEASE RECYCLE AND AT THE SAME TIME RAISE FUNDS FOR GOWER BIRD HOSPITAL!
